Notification dated 30th April 1949.

RECRUITMENT TO INTER-SERVICE WING COURSE AT THE ARMED FORCES ACADEMY, DEHRA DUN.

It has been found that the response to the Armed Forces Academy (Inter-Service Wing) Examination, held by the S. C. in January 1949 and the standard of candidates appeared at the examination, has been poor. It would appear that the information and publicity for the course at the Inter-Service Wing of the Armed Forces Academy has penetrated beyond a limited range. The candidates and their parents are probably not in possession of full facts, regarding the scope, purpose, the system and the subjects of instruction at the Armed Forces Academy, to enable them to make up their mind. To remedy this, the Government of India have decided to set up in each military command a touring team of Officers composed of a Lt.-Col. of the Army or equivalent in the Navy and Air Force, and a representative from the R. I. N. and R. I. A. F. of the rank of Lt.-Col./Sqd. Ldr., whose duties would be to tour vigorously, visit Schools and Colleges and to establish personal contact with potential candidates, their parents and those who are interested in their educational, cultural, social and home life with a view to promoting interest amongst and encouraging young men to elect to go to the Armed Forces Academy (Inter-Service Wing). They will be in a position to answer questions, to remove any doubt or misapprehension that may exist in the minds of the candidates and their guardians.

The third course at the Inter-Service Wing will commence in January 1950 (*vide* Gazette of India, Ministry of Defence, Notification No. 28—E., dated 19th February 1949), for which arrangements have been made to receive applications up to the beginning of June 1949. As the Officers' Touring Teams have a very arduous task to perform in a very short time, Government of India request that fullest co-operation, and guidance may be extended to the Touring Teams.

The declared policy of the Government of India to have all class composition in the Armed Forces and to remove any bias in regard to martial or non-martial class.

MISCELLANEOUS DEPARTMENTS.

OFFICE OF THE COMPILER, MYSORE GAZETTE.

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matters intended for publication in Parts I, II, III, IV, V and VI should therefore reach this office not later than *Monday Evening*, and that for Part II not later than *Tuesday Evening* for the following Thursday's issue of the Gazette. All matters received later than these days will be kept by for insertion in the following issue of the Gazette. (G. O. No. P. 988-1040—P. & S. 12-30-2, dated 26th July 1930.)

2. (i) Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its re-setting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect stating the number of copies should be made at foot of such manuscript.

(ii) Indents for less than 100 spare copies should not be sent to the Press, subject to the exceptions contained in G. O. No. G. 14330-95—P. & S. 5-19-9, dated 23rd December 1919, in regard to notices calling for tenders for the purchase of stores or for the execution of works. When a few copies only are required, they may be made available by the use of carbon sheets simultaneously with the preparation of a copy for the Gazette, as laid down in the above Government Order. (Letter No. G. 10382—P. & S. 9-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.)

(iii) When indents for an unusually large number of spare copies are sent, such instances will be brought to the notice of Government, as per letter No. G. 10382—P. & S. 99-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.

3. Matter sent for insertion in the Gazette will be published *only once* and the abstract in two issues. (G. O. No. G. 2915-6—P. & S. 44-25-2, dated 13th September 1926).

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

5. As per G. O. No. E. 1892-1902—P. & S. 12-23-13, dated 8th December 1923, and G. O. No. 5139-95—P. & S. 52-30-1, dated 12th November 1930, the English or the Kanarese portion of the *Mysore Gazette*, consisting only of the five Parts, *viz.*, I, II, III Section 1, III Section 3, IV and V taken together or an entire copy of the English or Kanarese Gazette containing all the parts will be supplied only to Patels, Nad-Patels, Shanbhogs and Sheikdars within the State at *half* rates on production of a certificate from the Amildar of the taluk to the effect that such applicant is *bona fide* on duty at the time or that he is on leave for a period not exceeding three years. Such subscribers will please note that the Gazette cannot be had *in separate parts* at concessionary rates under any other conditions and that they have to pay the full subscription for the part or parts required.

6. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such money should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the State.

7. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons. They are requested to insert invariably the name of the Post Office to which their copy should be sent.

8. Communications on post cards or on paper less than quarter sheet of foolscap will not receive attention; and no communication should be sent on Government Service by private parties.

9. An efficient system of check and counter-check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

10. Complaints regarding non-receipt of the Gazette should be forwarded to the undersigned within a week after the date on which it is due.
